ELBS11

FLOOR STANDING
DISPLAY WITH
80 FLAT WIPER BLADES!

ELTA Flat blades incorporate the latest in **FLAT BEAM TECHNOLOGY** to ensure even contact and wiping performance across the windscreen.

The **AERODYNAMIC SPOILER** increases down force and eliminates lift off at high speeds.

Premium quality, graphite coated rubber delivers **STEALTH PERFORMANCE** straight out of the box.

The **+FIT**, simple yet brilliant, modular adaptor system boosts vehicle compatibility to cover the eleven most common wiper arm types on the road.

The impressive floor standing **ELBS11** is sure to boost sales and contains **80 BLADES** ready to display.
